What was the
original motto
of Federal
Express?

“When It Absolutely
Positively Has To Be There
Overnight”

“It’s absolutely, positively incredible”

Transporter room on the starship USS Enterprise

- Utah Continuous Airport System Plan
- There are 46 public-use airports in Utah
- Each airport is owned by local city or county
- Each airport is classified by roll it plays in the system

4:30 a.m.
